South African Tax Cases Reports
(eight parts per annum)
Editor: J Silke
Established in 1926, these reports are the only comprehensive collection of decisions of the Tax Courts and other reportable Court tax cases in South Africa and Zimbabwe. They include the full text of the judgments, preceded by a digest of cases, list of cases referred to or considered therein and a summary of each judgment. Best used together with the Index to the South African Tax Cases.
There are 8 parts published per annum which get inserted into a binder.

Index to the South African Tax Cases Reports
Author: J van Dorsten
This cumulative index is updated annually and covers cases reported in the South African Tax Cases Reports from volume 49 onwards, enabling the user to find all relevant cases reported on a topic. It is the first source of reference for tax cases as it facilitates direct access to the relevant law, offering a cumulative list of all tax cases reported, as well as cases, statutory provisions and words and phrases considered in the reported cases and a subject index.

Income Tax Commentaries

Broomberg on Tax Strategy
Authors: D Kruger, ML Stein, P Dachs and AH Davey
Nearly every economic act has a tax implication, whether it relates to income tax or VAT. Timeous tax planning can often achieve positive tax savings, while a failure to apply one’s mind to the efficacy of a transaction could conceivably cause fiscal catastrophe. This work is aimed at providing the information necessary to enable parties to achieve tax efficiency. The 5th edition was published in December 2012 and includes two new chapters on the taxation of Trusts and Financing Arrangements.

Income Tax in South Africa: Commentary
